# LOCATION

Players' preferences for Qualifying location must be designated on the entry.

Qualifying sites may be canceled due to lack of participation. Qualifying sites are final after entries close. Please note that due to weather or other factors, a Qualifying location may need to be delayed or postponed one or more days, and players should be prepared to play on the posted rain date if necessary. Players who withdraw after 11:59 PM EDT two days prior to the qualifier will not receive a refund.

#### WAITLIST

When a Qualifying location has met capacity, players may sign up on a waitlist and select up to three Alternate Qualifying Sites.

**Prior to the close of entries:** If the original waitlist site becomes available, the player will be assigned to that site, charged the entry fee and receive a confirmation email.

At the close of entries: If the original waitlist site is full, the player will be assigned to their 1st Alternate Qualifying Site, dependent on availability. If the 1st Alternate Qualifying Site is full at the close of entries, the player will be assigned to their 2nd Alternate Qualifying Site, dependent on availability and so on. If all Alternate Qualifying Sites are full at the close of entries, the application will be withdrawn. Priority of each list will be based on the date of receipt of entry application. The fee to join a waitlist for a qualifying location is \$10 and is non-refundable.

#### TRANSFERRING

Players can transfer their Waitlist or Alternate Qualifying Sites, or transfer into a qualifying site with availability prior to the close of entries by accessing the championship specific View Qualifying Sites pop out on the Apply to Play page > Upcoming Competitions/Transfer Sites Tab. Players are limited to two transfers per championship.

Players who applied to a Qualifying location and want to transfer to a waitlist site must withdraw their application by contacting the USGA Championship Administration Department at champs@usga.org prior to the close of entries. The full entry fee will be refunded. Once withdrawn, the player can re-apply to sign up on a waitlist site and select up to three Alternate Qualifying Sites.

Transfer from one Qualifying location to another is not permissible after entries close. If a Qualifying location has more players than can be accommodated, some players may be transferred to another location and the date for Qualifying may be different than the original requested date. Transfer will be based on the date of receipt of entry application. Transfers are final.

## **QUALIFIERS' PLACES; TIES; SUBSTITUTIONS**

The number of qualifiers' places in each location will be determined by the USGA after entries close, based on size and strength of field.

A tie for last qualifier's place or an alternate's place will be decided immediately by a hole-by-hole play-off.

Alternates in order of qualifying scores will be allowed for qualifiers unable to compete in the Championship.

If a Qualifying location cannot fill its qualifiers' places, or if an exempt player withdraws, the place made available will be reallotted to another location. A reallotment schedule will be prearranged by the USGA.

If a player withdraws before playing a stroke in the Championship proper, a substitution is allowed. Only the USGA may make such substitutions. Alternates have no status at the Championship.

## ACCEPTANCE OF PLACES; NOTICE OF WITHDRAWAL

On the day of Qualifying, every qualifier should inform the Official in Charge whether she will play in the Championship.

If a qualifier or exempt player withdraws, she must notify the USGA (908-326-1950 or via e-mail at champs@usga.org) promptly in order to insure an alternate fair opportunity to play. Failure to comply may result in disqualification from future USGA competitions.

#### SCORE POSTING

The AGA will post Stroke Play scores for all competitors in the field who have a Handicap Index<sup>®</sup> issued by the USGA. It will be the player's responsibility to post scores for all other formats of play throughout the competition.

In formats of play where a player may not finish a hole (i.e. Match Play or Four-Ball), the player is responsible for recording their score for handicap purposes using the Most Likely Score (MLS) procedure. MLS on a hole includes: the number of strokes already taken, plus the number of strokes most likely required to complete the hole, plus any penalty strokes incurred on the hole.

If a Match is completed on or after the fourteenth hole but prior to the eighteenth hole, the player will record a score of net par for handicap purposes for any holes not played. If a Match is completed prior to the fourteenth hole, the player will post a nine-hole score for handicap purposes.

Players who have a Handicap Index from another authorized golf association should post their scores in accordance with the association's protocols.
