

The benefits of membership in the WPGA

- Course Rating and measuring services at no charge - \$1,000 value.
- One set of complimentary bronze tee markers - \$600 value.
- Computer, touch-screen monitor, label printer and printer for use with the GHIN® Service at no charge - \$1,000 value.
- USGA Handicap Index® for all members. Junior are not charged.
- GHIN® Service software, which provides the best and simplest interface for the players and staff, at no charge, and Internet Score Posting.
- On-site score posting for guests and/or customers.
- Print handicap reports on site rather than waiting for them in the mail.
- The best handicap support in the United States, voted by our members in a USGA survey.
- Tournament Pairing Program that allows you to create tournaments, add players, automatically lookup their handicaps, create teams, pairings and starting times, record scores and print results.
- Opportunity for members to play in ALL 16 WPGA events.
- Discount pricing of services from Golf Property Analysts for services such as Tax Assessments and Management Overview Consulting—up to a \$2,500 value.
- Invitations to our Club Rep Day and Annual Meeting, both of which include interesting short programs followed by golf and good meals.
- Free copies of all WPGA publications, including our acclaimed Member Club and Green Operations Surveys.
- Annual seminars in areas such as Club Leadership, Rules, Handicapping and Greens issues that not only provide worthwhile information but allow professionals and superintendents to accumulate education points.
- You can create an inexpensive website through ClubNet that allows you to communicate with your members and customers. The WPGA pays the initial setup fee - \$300 value.
- WPGA Scholarship Fund allows employees to receive assistance with college tuitions. Any person who has worked for a Member Club for two or more years is eligible.
- Full support from WPGA staff. We are always available to help with any questions you might have about golf.
