

11TH U.S. AMATEUR FOUR-BALL CHAMPIONSHIP®

Conducted by the United States Golf Association®

Desert Mountain Club, Scottsdale, Arizona | May 16 – 20, 2026

CHAMPIONSHIP REGULATIONS

LANGUAGE

The official language of the U.S. Amateur Four-Ball Championship is English. It is the responsibility of the player to obtain appropriate translation services as needed.

ELIGIBILITY

Entries are open to sides of amateur golfers with an individual up-to-date Handicap Index® based on ratings for men not exceeding 2.4 under the Rules of Handicapping. A current Handicap ID number (GHIN) issued through an authorized golf club is required and must be submitted on the entry form. The USGA accepts an up-to-date Handicap Index issued from authorized national and regional associations around the world, that would be equivalent to a Handicap Index within the prescribed limit for entry into the Championship. The USGA reserves the right to refuse any entry, or having accepted, subsequently reject any entry where, in its reasonable opinion, there is evidence to suggest that the player's Handicap Index does not accurately reflect their demonstrated ability. Please note that the USGA may contact your home club, authorized association, or national federation to request your full scoring record and to conduct a handicap review. Two players who play as partners comprise a side. Partners are not required to be from the same club, state, country, etc.

Athletes from Russia and Belarus are permitted to participate in USGA championships, but may not represent Russia/Belarus or the Russian/Belarusian Federations in any capacity (i.e. pairings, scoring, hometown, etc...). These athletes are permitted to compete under another country or alternate hometown if they so choose or may compete as unattached with no country or hometown. As the championship organizer, we will not fly the Russian or Belarus flag on-site at USGA championships.

Age: The championship is open to players of all ages. Player's date of birth is required on all USGA entry forms.

An application for a player who is a minor must be submitted by a parent/guardian, and must list the parent/guardian's name, phone numbers, and e-mail address. We cannot accept a phone number or email address of any minor. A player is deemed a minor based upon the date of submission and the laws of the state in which they reside (e.g. if a player is a New Jersey resident, the player is a minor if under the age of 18 at the time of submission). The parent/guardian agrees to be bound by all the terms and conditions on their own behalf and on behalf of the minor player. The USGA reserves the right to require submission of an original signature of the parent/guardian in a confirmation copy of the application upon notification by the USGA to the parent/guardian.

Amateur Status: All players must conform to the Rules of Amateur Status as approved by the United States Golf Association and The R&A.

Anti-Doping Policy: All players must comply with the USGA Anti-Doping Policy as a condition of competition. Information regarding the USGA Anti-Doping Policy, including applicable drug testing processes and information regarding Therapeutic Use Exemptions, may be found on the Apply to Play page of the USGA website at the following link: <https://champ-admin.usga.org/player/articles/Anti-Doping>.

Code of Conduct: The USGA may reject an entry application, revoke an accepted application, expel from the Championship and/or suspend a player or caddie from any current or future championships if the player or caddie engages in conduct that is deemed abusive, derogatory, aggressive or detrimental to the integrity and image of the Championship, the game of golf and/or public confidence in the USGA. Such conduct may include, but is not limited to, damage to the golf course, club facilities or the player's equipment; verbal or physical abuse of players, caddies, spectators, officials, volunteers or staff, including derogatory remarks about the eligibility of players and related matters; blatant or excessive profanity; disorderly behavior; conduct which is disruptive to competition (including playing music through portable speakers or drinking alcohol during the competition); conduct which could result in an unfair advantage to a player or disadvantage to another player; failure to abide by club rules; violation of the USGA Championship Betting Policy or other championship policy or any other unbecoming conduct. The USGA Championship Betting Policy can be found on the Apply to Play page of the USGA website, located at the following link: <https://champ-admin.usga.org/player/articles/usga-championship-betting-policy>.

Equipment Used for Medical Reasons: Players who wish to request permission to use a medical device due to a medical condition or injury and proceed under Rule 4.3b(1) of the Rules of Golf should refer to: <https://champ-admin.usga.org/player/articles/equipment-permitted-for-medical-reasons>.

Gender Policy: For the purposes of registration, players are required to register as either male or female in accordance with their sex assigned at birth. For any player wishing to compete in a gender competition classification that is different than their sex assigned at birth or for any player who has transitioned or is currently transitioning to a gender that is different than their sex assigned at birth, you will need to follow the processes outlined in the USGA Competitive Fairness Gender Policy and comply with all eligibility requirements therein. Information regarding the USGA Competitive Fairness Gender Policy may be found on the Apply to Play page of the USGA website located at the following link: <https://champ-admin.usga.org/player/articles/usga-competitive-fairness-gender-policy>.

ELIGIBILITY (CONT.)

Performance in Qualifying: If a side fails to return a score within 8 strokes of the Course Rating, future entries for certain USGA Championships may be declined. Sides who are placed on Performance Violation 1 or 2 will be notified via email and provided a link to submit recent tournament scores that illustrate their ability to compete at the national championship level. The entire Performance Policy for USGA Qualifying, including instructions for clearing a violation, can be found at the following link: <https://champ-admin.usga.org/player/articles/performance-policy-for-usga-qualifying>.

Withdrawal from Qualifying: Players can withdraw by logging into their account and clicking on the WITHDRAW tab. They must also notify the Official in Charge prior to their scheduled Qualifying round. Failure to do so may result in disqualification from future USGA competitions.

ENTRIES: FEE, REFUNDS, CLOSING DATE

All sides, including those who are exempt, must file an entry application online at champ-admin.usga.org. The first player of the side (Player A) must complete an entry application. A \$2 fee will be charged and immediately refunded to the credit card used, which serves to securely validate and hold the credit card. When Player B completes their application, both players will be charged one of the following fees:

Once Player A completes an application, he will receive two emails:

Once the side is complete, both players will be charged the Championship, Qualifying or Waitlist fee, and will be sent an e-mail notification confirming their applications have been received. If there is an issue with charging a credit card, the USGA will email the player a link to submit payment. The player will have 24 hours to provide updated credit card information. If payment is not received within 24 hours, the side will be withdrawn and the player who was charged will receive a full refund.

CADDIES

A player is not required to employ a caddie during the championship.

TRANSPORTATION/CART REQUESTS

The Local Rule prohibiting the use of motorized transportation as prescribed in Section 8 of the Committee Procedures is in effect, except at certain Qualifying sites as indicated on this entry application where the caddie only is permitted to use motorized transportation. Model Local Rule G-6.

As a general rule, players and their caddies must walk the course at USGA Championships and at most Qualifying rounds. But consistent with the Americans with Disabilities Act (ADA), a disabled player or caddie may be permitted to use a golf cart as an accommodation to his or her disability for those events where golf carts are not allowed. As required by the ADA, the USGA will evaluate such requests on a case-by-case basis.

In order for the USGA to properly evaluate the merits of such requests, while maintaining the fundamental fairness of the golf competition, it is necessary for players requesting this accommodation (whether submitted by the player, by the player for the player's caddie or by the parent/legal guardian of a minor player) to submit medical documentation to facilitate that analysis. The documentation provided must demonstrate: (1) a player's (or caddie's) disability as defined by the ADA; (2) the medical need for the golf cart that results from that disability; and (3) that by providing a golf cart to a player or caddie in that particular circumstance, the USGA would not be fundamentally altering the fairness of the competition by providing a player with an advantage over other players. The required form entitled **Golf Cart Request Form (as well as additional important information for first time and subsequent requests for a cart)** is available at the following link: <https://champ-admin.usga.org/player/articles/Requesting-Golf-Cart>.

QUALIFYING

LOCATION

Players' preference for Qualifying location must be designated on the entry. Qualifying location will be determined during the entry process by the side's second player.

Qualifying sites may be canceled due to lack of participation. Qualifying sites are final after entries close. Please note that due to weather or other factors, a Qualifying location may need to be delayed or postponed one or more days, and players should be prepared to play on the posted rain date if necessary. Sides who withdraw after 11:59 PM EDT 72 hours before the qualifier will not receive a refund.

WAITLIST

When a Qualifying location has met capacity, Player B may sign up on a waitlist. The fee to join a waitlist is \$10 and non-refundable. Priority of each list will be based on the date of receipt of entry application of Player B. The sides current waitlist status is located on the Upcoming Competitions/Transfer Sites Tab on the Apply to Play page. Sides who sign up for a waitlist are not guaranteed a spot in the qualifier. Waitlist expires 72 hours from the qualifier and all sides who remain on the waitlist within 72 hours of the qualifier will be withdrawn with no refund.

Prior to the close of entries: If the original waitlist site becomes available, the side will be assigned to that site, charged the qualifying entry fee and receive a confirmation email. If payment is declined, the player will have 24 hours to provide updated credit card information. If payment is not received within 24 hours, the side will be withdrawn and the next side on the waitlist will be added to the field.

After the close of entries and no later than 11:59 PM EDT 72 hours before the qualifier: If the original waitlist site becomes available, the side will be added to the field, charged the qualifying entry fee and receive a confirmation email. If payment is declined, the player will have 24 hours to provide updated credit card information. If payment is not received within 24 hours, the side will be withdrawn and the next side on the waitlist will be added to the field. The Allied Golf Association will email player information within 24 hours. Sides are not eligible for a practice round until confirmed in the field and are not guaranteed a practice round. As sides on the waitlist gain entry into the field, additional sides will not be allowed to join the waitlist.

After the close of entries and after 11:59 PM EDT 72 hours before the qualifier: All sides remaining on the waitlist will be withdrawn with no refund.

TRANSFERRING

Either player from a completed side can transfer from a Waitlist to a Waitlist, Waitlist to a Qualifying Site or a Qualifying Site to a Qualifying Site prior to the close of entries by accessing the championship specific View Qualifying Sites pop out on the Apply to Play page > Upcoming Competitions/Transfer Sites Tab: <https://champ-admin.usga.org/player#/upcoming-competitions>.

Completed sides who applied to a Qualifying location and want to transfer to a waitlist site must withdraw their application by contacting the USGA Championship Administration Department at champs@usga.org prior to the close of entries. The full entry fee will be refunded. Once withdrawn, the side can re-apply to sign up on a Waitlist.

Transfers are not permissible after entries close. If a Qualifying location has more sides than can be accommodated, some sides may be transferred to another location and the date for Qualifying may be different than the original requested date. Transfer will be based on the date of receipt of entry application. Transfers are final.

SUBSTITUTIONS

All substitutions must be made by contacting the USGA Championship Administration Department by phone at 908-326-1950 or by e-mail at champs@usga.org. If a player withdraws through their player account, **BOTH** players will be withdrawn. All withdrawals are final. Substitutions are only permitted up until 11:59 PM EDT 72 hours before the qualifier.

The partner requesting the withdrawal will be withdrawn. If in a Qualifying location, the player will receive a \$142.50 refund before the close of entries or a \$95 refund after the close of entries. If in a Waitlist site, the player will not receive a refund.

The remaining partner **will not be withdrawn** and will be sent the registration email to forward to the new partner. The new partner will use the registration email to access and complete their entry application. A side is committed to its original Qualifying location or Waitlist site regardless of the results of a substitution. Once the side is complete, both players will be sent an e-mail notification confirming their applications have been received.

After the current partner is withdrawn, the new partner will have 24 hours to submit an application to complete the side. If the side is not complete within 24 hours, BOTH players will be withdrawn and the remaining player who was charged will receive a \$142.50 refund before the close of entries or a \$95 refund after the close of entries if in a Qualifying Location. If in a Waitlist site, the player will not receive a refund.

When the substitution is after the close of entries, the new partner MUST contact the USGA Championship Administration Department by phone at 908-326-1950 or by e-mail at champs@usga.org to be permitted to submit an application. The new partner must also have an active player account.

•The remaining player after the withdrawal can make an unlimited number of substitutions until the close of entries. The limit will be one substitution after the close of entries and no later than 11:59 PM EDT 72 hours before the qualifier.

•A substitute can only be a player NOT entered in the Championship upon the close of entries.

•A player withdrawing from the Championship following the close of entries may not subsequently become a substitute.

•After the close of entries and after 11:59 PM EDT 72 hours before the qualifier, a formal withdrawal on the part of one player would result in the dissolution of the side and subsequently the withdrawal of the side in its entirety.

•For an exempt side, all substitutions must be made prior to December 1, 2025 at 5:00 PM EDT.

•The remaining exempt player after the withdrawal is required to provide a substitute.

•If the substitute was exempt as of the close of entries, the resulting side remains exempt.

•If the substitute was not exempt as of the close of entries, the side must play in a Qualifying round subject to availability.

QUALIFIERS' PLACES; TIES; CHAMPIONSHIP SUBSTITUTIONS

The number of qualifiers' places at each location will be determined by the USGA after entries close, based on size and strength of field.

A tie for the last qualifier's place or an alternate's place will be decided immediately by a hole-by-hole play-off.

Alternates in order of qualifying scores will be allowed for sides unable to compete in the Championship.

If a Qualifying location cannot fill its qualifiers' places, or if an exempt side withdraws, the place made available will be reallocated to another location. A realignment schedule will be prearranged by the USGA.

If a side withdraws before playing a stroke in the Championship proper, a substitution is allowed. Only the USGA may make such substitutions.

Alternates have no status at the Championship.

ACCEPTANCE OF PLACES; NOTICE OF WITHDRAWAL

On the day of Qualifying, every qualifying side should inform the Official in Charge whether they will play in the Championship.

If a qualifying side or an exempt side withdraws, they must notify the USGA (908-326-1950 or via e-mail at champs@usga.org) promptly in order to insure an alternate side fair opportunity to play. Failure to comply may result in disqualification from future USGA competitions.

SCORE POSTING

The AGA will post Stroke Play scores for all competitors in the field who have a Handicap Index[®] issued by the USGA. It will be the player's responsibility to post scores for all other formats of play throughout the competition.

In formats of play where a player may not finish a hole (i.e. Match Play or Four-Ball), the player is responsible for recording their score for handicap purposes using the Most Likely Score (MLS) procedure. MLS on a hole includes: the number of strokes already taken, plus the number of strokes most likely required to complete the hole, plus any penalty strokes incurred on the hole.

If a Match is completed on or after the fourteenth hole but prior to the eighteenth hole, the player will record a score of net par for handicap purposes for any holes not played. If a Match is completed prior to the fourteenth hole, the player will post a nine-hole score for handicap purposes.

Players who have a Handicap Index from another authorized golf association should post their scores in accordance with the association's protocols.
