

77TH U.S. GIRLS' JUNIOR CHAMPIONSHIP®

Conducted by the United States Golf Association®

Old Chatham Golf Club, Durham, North Carolina | July 13 – 18, 2026

CHAMPIONSHIP REGULATIONS

LANGUAGE

The official language of the U.S. Girls' Junior Championship is English. It is the responsibility of the player to obtain appropriate translation services as needed.

ELIGIBILITY

Entries are open to female amateur golfers who: (1) will not have reached their nineteenth birthday by midnight of July 18, 2026, and (2) have an up-to-date Handicap Index® not exceeding 5.4 under the Rules of Handicapping. A current Handicap ID number (GHIN) issued through an authorized golf club is required and must be submitted on the entry form. The USGA accepts an up-to-date Handicap Index issued from authorized national and regional associations around the world, that would be equivalent to a Handicap Index within the prescribed limit for entry into the Championship. The USGA reserves the right to refuse any entry, or having accepted, subsequently reject any entry where, in its reasonable opinion, there is evidence to suggest that the player's Handicap Index does not accurately reflect their demonstrated ability. Please note that the USGA may contact your home club, authorized association, or national federation to request your full scoring record and to conduct a handicap review.

Athletes from Russia and Belarus are permitted to participate in USGA championships, but may not represent Russia/Belarus or the Russian/Belarusian Federations in any capacity (i.e. pairings, scoring, hometown, etc...). These athletes are permitted to compete under another country or alternate hometown if they so choose or may compete as unattached with no country or hometown. As the championship organizer, we will not fly the Russian or Belarus flag on-site at USGA championships.

Age: Player's date of birth is required on all USGA entry forms.

An application for a player who is a minor must be submitted by a parent/guardian, and must list the parent/guardian's name, phone numbers, and e-mail address. We cannot accept a phone number or email address of any minor. A player is deemed a minor based upon the date of submission and the laws of the state in which they reside (e.g. if a player is a New Jersey resident, the player is a minor if under the age of 18 at the time of submission). The parent/guardian agrees to be bound by all the terms and conditions on their own behalf and on behalf of the minor player. The USGA reserves the right to require submission of an original signature of the parent/guardian in a confirmation copy of the application upon notification by the USGA to the parent/guardian.

Amateur Status: All players must conform to the Rules of Amateur Status as approved by the United States Golf Association and The R&A.

Anti-Doping Policy: All players must comply with the USGA Anti-Doping Policy as a condition of competition. Information regarding the USGA Anti-Doping Policy, including applicable drug testing processes and information regarding Therapeutic Use Exemptions, may be found on the Apply to Play page of the USGA website at the following link: <https://champ-admin.usga.org/player/articles/Anti-Doping>.

Betting Policy: All players, as well as caddies and Participant Affiliates, must comply with the [USGA Championship Betting Policy](#) as a condition of competition. Please be aware, players must inform their caddies and Participant Affiliates about the Betting Policy and are responsible for the acts of their caddies or Participant Affiliates, and any Failure to Comply by a caddie or Participant Affiliate may be deemed a Failure to Comply by the player.

Code of Conduct: The USGA is committed to conducting its championships in a manner that upholds the values and integrity of the game of golf. The [Championship Player Code of Conduct](#) ("Code") establishes the standards of conduct expected of all players and caddies participating in any championship or competition, including qualifiers, that is organized by, or under the jurisdiction of, the USGA and outlines the process for addressing violations. Players are responsible for ensuring their compliance with this Code, as well as the compliance of their caddies.

Equipment Used for Medical Reasons: Players who wish to request permission to use a medical device due to a medical condition or injury and proceed under Rule 4.3b(1) of the Rules of Golf should refer to: <https://champ-admin.usga.org/player/articles/equipment-permitted-for-medical-reasons>.

Family Policy: A player or a side who has earned a place in a USGA Championship either through qualifying or exemption may defer his or her place in the championship for one (1) year due to reasons of Maternity, Parental Event, Fertility or Reproductive Procedures of such player or member of such side. <https://champ-admin.usga.org/player/articles/Maternity-Extension-Requests>

Gender Policy: For each USGA Championship, eligibility criteria with respect to a player's gender/gender identity is set forth in the [USGA Competitive Fairness Gender Policy](#). For the purposes of registration, players are required to register as either male or female in accordance with their sex assigned at birth. For any player wishing to compete in a gender competition classification that is different than their sex assigned at birth or for any player who has transitioned or is currently transitioning to a gender that is different than their sex assigned at birth, in addition to completing this registration you will also need to follow the processes outlined in the [USGA Competitive Fairness Gender Policy](#) and comply with all eligibility requirements therein.

CART REQUESTS

The Local Rule prohibiting the use of motorized transportation as prescribed in Section 8 of the Committee Procedures is in effect, except at certain Qualifying sites as indicated on this entry application where the caddie only is permitted to use motorized transportation. Model Local Rule G-6.

As a general rule, players and their caddies must walk the course at USGA Championships and at most Qualifying rounds. Consistent with the Americans with Disabilities Act (ADA), a disabled player or caddie may be permitted to use a golf cart as an accommodation to their disability (permanent or temporary) for those events where golf carts are not allowed. As required by the ADA, the USGA and its medical consultant(s) (as needed) will evaluate such requests on a case-by-case basis.

In order for the USGA and its medical consultant(s) to properly evaluate the merits of such requests, while maintaining the fundamental fairness of the golf competition, it is necessary for players and caddies requesting this accommodation to submit a fully completed Golf Cart Request Form and medical documentation pertaining to their disability (permanent or temporary) to facilitate that analysis. The documentation provided must demonstrate: (1) a player's or caddie's disability (permanent or temporary) as defined by the ADA; (2) the medical need for the golf cart that results from that disability; and (3) that by providing a golf cart to a player or caddie in that particular circumstance, the USGA would not be fundamentally altering the fairness of the competition by providing a player with an advantage over other players. The Golf Cart Request Form and fully Golf Cart Request Policy is available at the following link: <https://champ-admin.usga.org/player/articles/Requesting-Golf-Cart>.

QUALIFYING

LOCATION

Players' preferences for Qualifying location must be designated on the entry.

Qualifying sites may be canceled due to lack of participation. Qualifying sites are final after entries close. Please note that due to weather or other factors, a Qualifying location may need to be delayed or postponed one or more days, and players should be prepared to play on the posted rain date if necessary. Players who withdraw after 11:59 PM EDT 72 hours before the qualifier will not receive a refund.

WAITLIST

When a Qualifying Site reaches capacity, players may register for a waitlist for a non-refundable \$10 fee. Players are added to a waitlist in order of their entry date and can view their current waitlist position on the Upcoming Competitions/Transfer Sites tab on the Apply to Play page. Waitlists are available for all qualifying sites up to a maximum of 15 players. Signing up on a waitlist does not guarantee a spot in a qualifier. Waitlists are dissolved 72 hours prior to each qualifier. Any player still on a waitlist at that time will be withdrawn with no refund.

Prior to the close of entries: If a spot becomes available prior to the close of entries, the following will occur:

- The player will automatically be added to the field, charged the qualifying entry fee, and sent a confirmation email. Players will not be notified prior to being added to the field and being charged.
- If payment is declined, the player will be sent an email to provide payment information within 24 hours. Failure to provide payment within 24 hours will result in withdrawal from the qualifier, and the next player on the waitlist will be added.

After the close of entries and no later than 11:59 PM ET 72 hours prior to the qualifier: If a spot becomes available during this window, the following will occur:

- The player will be automatically added to the field, charged the qualifying entry fee, and sent a confirmation email. Players will not be notified prior to being added to the field and being charged.
- If payment is declined, the player will be sent an email to provide payment information within 24 hours. Failure to provide payment within 24 hours will result in withdrawal from the qualifier, and the next player on the waitlist will be added.
- The AGA conducting the qualifier will email player information within 24 hours.
- Players are not eligible for a practice round until officially in the qualifier, and practice rounds are not guaranteed.

Note: As players are moved from the waitlist to the qualifier, no additional players will be allowed to join the waitlist after the close of entries. There are no on-site waitlists or alternates.

After 11:59 pm ET, 72 hours before the qualifier: All players remaining on the waitlist will be withdrawn with no refund.

Waitlist Deadline Chart: Based on the qualifier day of the week, the below chart outlines the day and time that all waitlists are dissolved:

Qualifier	Waitlist Deadline (72 Hours Prior)
Monday	Thursday at 11:59 PM ET
Tuesday	Friday at 11:59 PM ET
Wednesday	Saturday at 11:59 PM ET
Thursday	Sunday at 11:59 PM ET
Friday	Monday at 11:59 PM ET
Saturday	Tuesday at 11:59 PM ET
Sunday	Wednesday at 11:59 PM ET

TRANSFERRING

Players can transfer from a Waitlist to a Waitlist, Waitlist to a Qualifying Site or a Qualifying Site to a Qualifying Site prior to the close of entries by accessing the championship specific View Qualifying Sites pop out on the Apply to Play page > Upcoming Competitions/Transfer Sites Tab: <https://champ-admin.usga.org/player#/upcoming-competitions>.

Players who applied to a Qualifying location and want to transfer to a waitlist site must withdraw their application by contacting the USGA Championship Administration Department at champs@usga.org prior to the close of entries. The full entry fee will be refunded. Once withdrawn, the player can re-apply to sign up on a Waitlist.

Transfers are not permissible after entries close. If a Qualifying location has more players than can be accommodated, some players may be transferred to another location and the date for Qualifying may be different than the original requested date. Transfer will be based on the date of receipt of entry application. Transfers are final.

QUALIFIERS' PLACES; TIES; SUBSTITUTIONS

The number of qualifiers' places in each location will be determined by the USGA after entries close, based on size and strength of field.

A tie for the last qualifier's place or an alternate's place will be decided immediately by a hole-by-hole play-off.

Alternates in order of qualifying scores will be allowed for qualifiers unable to compete in the Championship.

If a Qualifying location cannot fill its qualifiers' places, or if an exempt player withdraws, the place made available will be reallocated to another location. A reallocation schedule will be prearranged by the USGA.

If a player withdraws before playing a stroke in the Championship proper, a substitution is allowed. Only the USGA may make such substitutions.

Alternates have no status at the Championship.

ACCEPTANCE OF PLACES; NOTICE OF WITHDRAWAL

On the day of Qualifying, every qualifier should inform the Official in Charge whether she will play in the Championship.

If a qualifier or an exempt player withdraws, she must notify the USGA (908-326-1950 or via e-mail at champs@usga.org) promptly in order to insure an alternate fair opportunity to play. Failure to comply may result in disqualification from future USGA competitions.

SCORE POSTING

The AGA will post Stroke Play scores for all competitors in the field who have a Handicap Index[®] issued by the USGA. It will be the player's responsibility to post scores for all other formats of play throughout the competition.

In formats of play where a player may not finish a hole (i.e. Match Play or Four-Ball), the player is responsible for recording their score for handicap purposes using the Most Likely Score (MLS) procedure. MLS on a hole includes: the number of strokes already taken, plus the number of strokes most likely required to complete the hole, plus any penalty strokes incurred on the hole.

If a Match is completed on or after the fourteenth hole but prior to the eighteenth hole, the player will record a score of net par for handicap purposes for any holes not played. If a Match is completed prior to the fourteenth hole, the player will post a nine-hole score for handicap purposes.

Players who have a Handicap Index from another authorized golf association should post their scores in accordance with the association's protocols.

USGA reserves the right to revise this schedule

SCHEDULE AND LOCATION OF QUALIFYING ROUNDS - 18 HOLES STROKE PLAY

USGA reserves the right to revise this schedule

Performance in Qualifying: If a player fails to return a scorecard ("no card") or returns a score of 100 or higher, future entries for this specific USGA Championship may be declined if documentation is not provided demonstrating that the player is capable of competing at the national championship level. Players who shoot 15 or more strokes above the course rating for 9-holes may be withdrawn from the qualifier.

Withdrawal from Qualifying: Players can withdraw by logging into their account and clicking on the WITHDRAW tab. They must also notify the Official in Charge prior to their scheduled Qualifying round. Failure to do so may result in disqualification from future USGA competitions.
